WOLFVILLE FARMERS MARKET VOLUNTEER POSITION

JOB POSITION: WFM2Go Packing Team

WFM2Go: [WFM2Go](#) is the online version of the Wolfville Farmers' Market that allows anyone to place weekly orders for fresh produce and market goods and have them packaged and delivered to a nearby location at one of our eleven Market Hubs. Customers can choose from over 65 Wolfville Farmers' Market vendors and over 1800 products such as local produce, meat, pantry items, health products, wine, beer, dog treats and more. WFM2Go is creating a new way for farmers and local producers to reach their customers while creating better access to local products.

JOB DESCRIPTION: The Wolfville Farmers' Market needs volunteers who are interested in supporting local food producers and market communities by helping to assemble orders to be delivered to our eleven Market Hub locations each week. You will work with our staff team and vendors to become a key player in the local food movement helping your community members access fresh farm products and specialty goods from our Market vendors.

TASKS:

- Help vendors fill each customer bin with ordered produce and products in preparation for delivery
- Check order sheets and customer bins to ensure that all orders are accurately fulfilled
- Assist the staff team in organizing and loading customer orders into delivery trucks

Optional, but appreciated. Become a WFM2Go supporter by:

- Helping with marketing WFM2Go: putting up posters in local community spots, distributing flyers to businesses, sharing the service on social media channels to help reach new customers;
- Becoming a WFM2Go patron so that you can share with others the experience, the benefits and process of online Market shopping.

COMMITMENT

- Weekly Shift: every Wednesday, 8:30 am - 10:30 am, minimum 1 hour commitment

LOCATION: Wolfville Farmers' Market

QUALIFICATIONS:

Good team member, attention to detail, reliable and interested in food and culture, community-minded.
